## TERMS OF SALE

1. All lots are sold to the highest bidder, and must be taken up and paid for within **five days** of receipt, the same as any other public auction sale, unless other arrangement is made before sale.
2. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded. Room bidders may secure their lots upon payment of bill immediately after the sale.
3. Lots incorrectly described must be returned within **THREE DAYS** from date of receipt, and no claims will be entertained beyond this time. Lots containing five or more stamps are not returnable on account of minor defects, and no lots are returnable by bidders who have had the privilege of examining lots before sale.
4. All stamps are guaranteed genuine. Should any lot prove otherwise, purchase price will be refunded. This does not apply to lots described and sold "As Is."
5. The right is reserved to withdraw any lot offered.
6. No commission is charged for executing bids, but the cost of forwarding lots will be added to the bill.
7. Clients may have lots sent for inspection, provided they are returned same day as received, and reach us not later than one week before the sale. Postage and registration will be charged both ways.
8. Stamps on exhibition at our office, 116 Nassau St., New York, one week before sale.
9. Under the provisions of the New York State Sales Tax, 1% will be added to the invoices of all buyers resident in New York State, unless we have signed statements from said buyers that their purchases are intended for resale.
