STAMP SALES SERVICE

Is the consolidation of the Robert A. Siegel Auction Sales and the Rumark Company Auctions. We intend to devote our time to a commission business exclusively through public and private sales.

Our auction terms are 20% commission on prices realized and prompt settlement within three weeks after sale.

Our private commission is open for material to be sold at our sales room at 15% commission on lots under \$50.00 and at a lower rate on larger lots. Settlement will be made as fast as material is sold and may be withdrawn at any time. On private commission sales the seller may put his own price on material. If you would like any further information we will gladly give you same.

Send us a trial lot for private or public auction sale and we feel confident with our combined forces you will be well pleased.

Also, if you have any special wants send them in and we will notify you as material is received.
