END OF SALE — MAIL BIDS EARLY

RESULTS FROM OUR 48th SALE

Completely reveal that there is still a firm demand for nice material at existing price levels. Floor bidding was more active than at our previous sale, with a result that many mail bidders lost out on what appeared to be high bids. The material in this sale our 49th consists of many fine United States retail and wholesale lots.

Material is being solicited for our future sales which will be held monthly. Our auction terms are 20% commission and prompt settlement within three weeks after sale.

Local collectors and dealers should investigate our private commission service. There is some nice material available at attractive prices.
