7. Stamps sent to buyers remain the property of Robert A. Siegel until paid for in full.
8. If you do not buy for resale and you live in New York City the 2% sales tax must be paid.

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum isn't to be expected on 19th Century stamps up to 1890 unless so stated.

WHOLESALE LOTS

Although we cannot possibly examine every stamp in this category, we will make every effort to describe the general appearance of each lot as best as possible. Unless otherwise stated on wholesale lots, good average wholesale condition can be expected.
