8. If you do not buy for resale and you live in New York City the 2% sales tax must be paid.

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary. No charges will be made for executing bids at our sale.

Superb—the finest condition for noteworthy, outstanding copies.
 Very Fine (VF)—means that there is a slight deviation from the above.
 Fine (F)—means that the perforations do not touch the design; if used, faintly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum isn't to be expected on 19th Century stamps up to 1890 unless so stated.

WHOLESALE LOTS

Although we cannot possibly examine every stamp in this category, we make every effort to describe the general appearance of each lot as best as possible. Unless otherwise stated on wholesale lots, good average wholesale condition can be expected.

The following consignment of six hundred lots of United States retail and wholesale stamps is a part of a stock which we have been commissioned to sell. The balance will appear in future sales. This offers a fine opportunity for you to replenish your stock at your own prices. We particularly call your attention to the wholesale material of the 1908 to 1916 issues. This material is catalogued by Scott's 1939 Catalogue and no lot can be returned due to catalogue price changes. Lots not described under the wholesale section are good average in which a few straight edges or precancels might be found.
