## STAMP COLLECTORS — AID FINLAND !

In all emergencies Stamp Collectors have come to the aid of the needy and in their hour of distress, they again were among the first to come to the aid of the unfortunate people of Finland who had to leave their homes for places of safety—deep in the rural districts of their country. Poorly clothed and without adequate food supply and shelter, they are sadly in need of all possible aid you can give them.

It was in order to aid these people that Messrs. Hugh M. Clark and Harry L. Lindquist have published the book "*POSTAL ISSUES OF FINLAND*" written by Carl E. Pelander, a greater part of which appeared in a series of articles published in Scott's Monthly Journal during 1936-1938.

Much improvement and additional research has been made since, so that it now is one of the most authoritative books ever written on the stamps of Finland. Besides technical details, it contains an interesting historical background of the stamps of Finland.

The book was published by Harry L. Lindquist Publications, who furnished his technical staff for this purpose free of charge, and Mr. Hugh M. Clark pays all the cost of material, etc. The book will be distributed by Carl E. Pelander who will pay the cost of mailing and handling.

The cost of the book is \$1.00 per copy—the entire proceeds from the sale going to the Finnish Relief Fund.

If you have not already sent in your contribution, please do so now and help this cause of preserving Democracy in this country so dear to our hearts.

Make your checks payable to the FINNISH RELIEF FUND and mail them to

*Don't forget, you do not need to collect Finland Stamps to do this. All contributions in all amounts, no matter how small are always welcome.*
