2. All lots are sold for CASH and must be taken up not later than three (3) days after the sale. Payment may be made in unused U. S. Postage Stamps in denominations from the 1c to 5c if 5% extra is added to cover cost of brokerage. All stamps must have full original gum and not be mutilated.

7. Stamps sent to buyers remain the property of Robert A. Siegel until paid for in full.
8. If you do not buy for resale and you live in New York City the 2% sales tax must be paid.

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary. No charges will be made for executing bids at our sale.

## DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum isn't to be expected on 19th Century stamps up to 1890 unless stated.

## WHOLESALE LOTS

Although we cannot possibly examine every stamp in this category, we will make every effort to describe the general appearance of each lot as best as possible. Unless otherwise stated on wholesale lots, good average wholesale condition can be expected.
