 2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
 3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
 4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
 5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
 6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.

 11. Lots will be sent for inspection, provided such lots are returned to us the same day as received. Postage and registration both ways will be charged. Approximate values of lots will be given on request.
 12. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1944 Specialized United States Catalogue is used for cataloging our lots of United States.
