DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1944 Specialized United States Catalogue is used for cataloging our lots of United States.

The Fort Orange Stamp Club takes great pleasure in sponsoring this auction in Albany.

The club was started in 1926 and almost from its inception has tried to have an exhibit or educational feature at each of its meetings.

In bringing Mr. Robert Siegel's auction to Albany it hopes to acquaint club members in the vicinity with the way actual sales are held in New York City, the stamp center of the world.

We are also glad to welcome Mr. Gregory Mozian as auctioneer of the evening. Mr. Mozian has been auctioning in the city for almost twenty years.

Collectors in near by cities who might want information or reservations can either write the club or Mr. Robert A. Siegel.
