CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. In addition to the purchase price, the buyer will be required to pay the two (2) percent New York City sales tax, unless he is exempt from the payment thereof.
11. Lots will be sent for inspection, provided such lots are returned to us the same day as received. Postage and registration both ways will be charged. Approximate values of lots will be given on request.
12. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Lots are on display at our office one full week before the sale in White Plains, N. Y.

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary.

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1946 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1947.

END OF SALE

THANK YOU

WE ARE LOOKING FORWARD

to seeing old friends and meeting many of you that we know through correspondence at our Booth #67 at the big stamp show in Grand Central Palace, New York City, May 17-25th.

This is the first international stamp show to be held in ten years and we feel this will be the biggest philatelic event ever held. We urge you all to attend if at all possible.

This is an excellent opportunity, if you are by chance, contemplating disposing of any of your philatelic holdings. We will be pleased to discuss, to make you an immediate cash advance for auction, or buy for out right purchase.
