DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1949 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1950 for others.

BUYING TRIP

NEW YORK TO CALIFORNIA

I am planning a trip to the West Coast between February and March and will stop enroute at Detroit, Chicago, St. Louis, Kansas City, Omaha, Denver, Los Angeles, San Francisco and Oakland. Other stops can be arranged to examine worthwhile properties of stamps for sale. Outright cash purchases or selling through our regular auction sales with liberal advances can be arranged.

I would appreciate it if Collectors, who are contemplating disposing of stamps in the near future, would contact me at my White Plains address, as soon as possible, so I may complete arrangements for the itinerary of my trip and make the necessary appointments.
