## SELLING YOUR COLLECTION?

REALIZE IMMEDIATE CASH  
AND HAVE ADVANTAGE OF SELLING AT AUCTION.

I will advance on your collection immediate cash up to 75% of my appraisal value of what it should realize at auction.

It will then be sold at one of my coming auction sales. Commission is 20% of the gross and final settlement within thirty days after the sale.

Send collection direct (valued \$500 upwards) for appraisal. Auction advance will be sent within 48 hours after receipt. If not entirely pleased, collection will be returned at my expense.

I have been conducting stamp auctions for 20 years.

# Fancy Cancellations on 19th Century United States Stamps

By MICHEL ZARESKI

edited and published by  
Herman Herst, Jr.

The first edition of this scarce and informative volume has been sold out for some years, and has been bringing from \$25 to \$30 at auction.

A second edition is now available, containing over two thousand individual illustrations, ascribing to each one (where known) the office of use, as well as the stamp on which it has been reported, its actual selling price at auction (where reported), and other circumstances of its use. The original edition had less than one thousand illustrations.

The new edition is limited to three thousand copies, and should prove far more useful than its predecessor. The present edition is entirely in English, with a foreword by the well known authority, Harry Konwiser.

Whether you collect fancy cancels, or whether you just admire them, a copy of this book should be on your bookshelf. Tastefully bound in blue, and printed on a fine grade of paper, its three hundred pages will be a source of constant reference, not only to identify postmarks which may come your way as to origin, but to assist you in establishing the identity of many partially struck markings, or poorly applied ones that might otherwise escape notice.

All illustrations are in every case in the exact size as originally applied to the stamp or cover.
