CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Lots will be sent for inspection, provided such lots are returned to us the same day as received. Postage and registration both ways will be charged. Approximate values of lots will be given on request.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

ROBERT A. SIEGEL,
Licensed Auctioneer

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary.

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1951 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1951 for others.

Fancy Cancellations on 19th Century United States Stamps

By MICHEL ZARESKI

edited and published by
Herman Herst, Jr.

The first edition of this scarce and informative volume has been sold out for some years, and has been bringing from \$25 to \$30 at auction.

A second edition is now available, containing over two thousand individual illustrations, ascribing to each one (where known) the office of use, as well as the stamp on which it has been reported, its actual selling price at auction (where reported), and other circumstances of its use. The original edition had less than one thousand illustrations.

The new edition is limited to three thousand copies, and should prove far more useful than its predecessor. The present edition is entirely in English, with a foreword by the well known authority, Harry Konwiser.

Whether you collect fancy cancels, or whether you just admire them, a copy of this book should be on your bookshelf. Tastefully bound in blue, and printed on a fine grade of paper, its three hundred pages will be a source of constant reference, not only to identify postmarks which may come your way as to origin, but to assist you in establishing the identity of many partially struck markings, or poorly applied ones that might otherwise escape notice.

All illustrations are in every case in the exact size as originally applied to the stamp or cover.

Price, Postpaid, \$5 Per Volume
