#### DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)-means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good(G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1952 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1952 for others.
