DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1952 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1952 for others.

BURGER & CO. STOCK

Part I

The firm of Burger & Co. was located on Nassau Street, in New York City, from 1886 to 1952. The last surviving partner Gus Burger was a well known figure in Philatelic circles both here and abroad. He made numerous "finds" and brought to light many great rarities. Down through the years a great quantity of stamps and covers of the whole world was accumulated in the stock of Burger & Co.

This stock contains a vast amount of interesting and unusual material, many items never having previously been in the hands of the collector. As the contents of safes, boxes, trunks, etc. can be assorted and lotted they will be offered in our auctions in a series of sales.
