DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1954 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1954 for others.

I will advance on your collection immediate cash up to 75% of my appraisal value of what it should realize at auction.

It will then be sold at one of my coming auction sales. Commission is 20% of the gross and final settlement within thirty days after the sale.

Send collection direct (valued \$500 upwards) for appraisal. Auction advance will be sent within 48 hours after receipt. If not entirely pleased, collection will be returned at my expense.

I have been conducting stamp auctions for 24 years.

I am attending the A.P.S. Convention at San Francisco.

I will be stopping at the Sir Francis Drake Hotel from September 14th - 19th and will be pleased to consider any stamp property for sale or for auction.
