EMMERSON C. KRUG

Collection of

UNITED STATES COVERS

The name Krug among U. S. Collectors is a famous one. Emmerson C. Krug of Birmingham, Ala. is well-known as a student of our country's early postal history, and as a collector of first quality material. Mr. Krug began assembling fine covers 25 years ago and worked closely with the late great student, Stanley B. Ashbrook in building up his holdings. His collection contains only our early issues from 1847 through the Banknote Issues. Most of the covers have been examined and many signed by Mr. Ashbrook. Mr. Krug liked not only choice quality but also unusual and scarce rates and usages. To emphasize the rarity, it includes nine 90c 1861 covers and perhaps the largest number of authenticated high value 1869 covers in any collection.

It is most gratifying to offer this distinguished collection in this auction.

## CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.
