# Question

There are two significant questions in stamp collecting. What? And Who? What—being the item. Who—being the dealer.

Confidence is the only complete answer to both questions—confidence in the offering based on confidence in the dealer. And this straight-forward answer applies to either buying or selling. It is only the reputable dealer's recommendation as to what to buy, or how to sell, that can provide the full reply to either question.

Justifying the confidence of our clientele has been all-important to the conduct of our business for more than thirty years.

Perhaps we can be of help to you.

## The Five Cent Jefferson Stamps 1856-1861 Issues

Offered by order of Mr. Henry W. Hill

This collection was formed over the past decade during which time Mr. Hill searched both here and abroad for the finest obtainable in the 5c 1856-1861 Jefferson stamps and covers. Mr. Hill is offering in this sale his entire collection with the exception of his plating material. Many of the items are from well-known collections that have been sold, also a number of items in the collection are from original finds that have never been offered previously. The majority of Mr. Hill's covers had been examined and authenticated by the late Stanley B. Ashbrook. Many of these pieces helped to form the subject matter and are illustrated in the book Mr. Hill authored, "The United States Five Cent Stamps of 1856-1861."

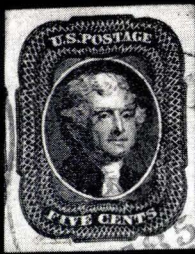

Mr. Hill would like to thank all the collectors who have helped him with his study of these stamps and would greatly appreciate seeing any material on the Jefferson stamps that would help in plate reconstruction.

This outstanding specialized auction offers a rare opportunity to acquire many choice stamps and covers which are extremely difficult to find in this desirable condition.

## IS YOUR COLLECTION FOR SALE ?

REALIZE IMMEDIATE CASH  
PLUS THE ADDED ADVANTAGE OF  
SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for nearly thirty years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted within 48 hours following receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important estates.
