Sparse

Philatelic rarities are sparse indeed. The gems, the showpieces, the widely talked about stamp or cover.

Still there is a source where the unusually desirable can be found. Right in our vault. And the same repository is roomy enough for more of the same—in case you have something rare and costly to sell.

In fact, we would rather talk to you about buying your rarities, than about selling ours.

And if you think we're bluffing, call us!

DESCRIPTIONS

Superb—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott's 1959 Specialized United States Catalogue is used for cataloguing our lots of United States and Scott's Standard Catalogue, 1959 for others.

WE SOLICIT FINE MATERIAL FOR FUTURE SALES

IS YOUR COLLECTION FOR SALE?

**REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS**

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for nearly thirty years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted within 48 hours following receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important estates.
