VALUATIONS

Upon request, estimate of value furnished on any lots in this auction.

THE JOHN AYER COLLECTION

In this sale we are pleased to offer both old and new clients a remarkably comprehensive collection of United States, British North America, and other selected countries, nearly all 19th Century. It is particularly strong in **U. S. and B. N. A. Postal Stationery.**

The late Mr. Ayer was a knowledgeable and discriminating collector, as the material offered herein abundantly shows. He chose stamps and covers that are fresh, of fine color, and if used, with clear strikes of attractive cancellations. Briefly the stamps and covers in this collection are appealing to the eye as well as being sound and philatelically interesting.

Although Postal Stationery was Mr. Ayer's greatest interest, he was fond of the **1851-57 Issue of United States**, particularly the 3c. The **Orange Brown** alone is represented by some 40 covers, as well as almost 200 copies off cover, suitably grouped in attractive lots. There is also a wide range of other covers and stamps of this issue all without exception being of rich colors, fine impressions, and beautifully cancelled, a joy to behold. There is a profuse range of the 3c Dull Red, including very choice reconstructions of several plates. There is besides a handsome array of covers of other U. S. issues, including approximately 100 lots of Western material, scarce town marks, Express Franks, and Territorial usages. Further an unusual group of **Locals** are offered, with a fine showing of **Blood's** and **Boyd's** Covers and Entires including many rare items.

The **Postal Stationery** portion of this sale is one of the finest and most comprehensive collections of United States envelopes that has been offered in many years. Mr. Ayer collected these Entire and Cut Square unused. He also acquired a number of used entires and cut squares particularly for their cancellations.

Some idea of the extent of these collections can be gained by the fact that a full session of over 750 lots is necessary in offering this section alone.

Among the unused entires are such rarities as the 6c Star Die on Buff, and the **10c Star Die on White**, and also on Buff!

The other Nesbitt Entires are also represented by various types, knives and papers, including many scarce items. There is a gorgeous range of the Cameo like **1870 Reays** in various sizes and papers, practically complete, including the 10c Olive Black on White and Amber, and the 90c on Amber. The **1874-86 Plimpton's** include a wide range of material, there being an unusual showing of the 12c to 90c values on colored papers, as well as a comprehensive lot of Dies, shades, knives, etc. The succeeding issues are equally complete and include the 5c Columbian Error, and a grand array of the 20th Century issues. The Officials are particularly strong in the **War Dept.** there being many scarce items in both issues. Throughout are a number of very rare Thorp varieties, of some there being fewer than six known.

The special groups so dear to the specialist, include representations of "Specimens", "Samples", advertising collars, Essays, Color Trials, and Proofs.

The **Unused Cut Squares** are equally comprehensive, most of them being large full corners in immaculate condition. Among the rarities are such items as the 1c Plimpton Die 1 on Cream, and those elusive items the 10c Die 2 Plimpton's in **Yellow Ochre**, on White and Amber, the 2c Red, Die 1, Kellogg Die on White, and the extremely rare 2c Postal Savings on Manila.

The material has been lotted to enable the advanced collector to acquire the rarer items he has been seeking while the newcomer will find many large lots that will form an admirable basis for further advances.

There are also a number of unusual lots of used entires and cut squares, one of the most noteworthy being the 2c Green Entire of 1887 with the rare and spectacular **Eagle and Thunderbolt Cancel** of Boston.

The **British North America** is a charming group, with many attractive pieces, and some lovely covers, notably a **3p. Newfoundland on a neat mourning cover**, and several **P. E. I.** covers of unusual freshness.

The postal stationery is most comprehensive. The gem of course being the **Canada 10c Black Brown Nesbitt, used from Bandon, U. C.**, the finest we have seen of this rare entire, which is far scarcer than the much publicized 12p Black.

The concluding lots consist of a fine showing of selected British Colonies and Foreign 19th Cent. Notable for being with fine margins or unusually well centered, lightly cancelled and of bright color.

Seldom is one property of such consistently high standard in condition, philatelic interest, and attractiveness as are the contents of this catalogue.

We are confident that there will be keen competition, and many record prices for this truly choice collection of Stamps and Entires.

ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is \$30.00 to \$40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

E. I	up to \$10.00	E. VIII	\$100.00 to \$150.00
E. II	\$10.00 to \$20.00	E. IX	\$150.00 to \$200.00
