CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.

8. Until paid for in full all lots remain the property of Robert A. Siegel.

10. Upon written application lots may be sent for examination prior to the auction, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

DESCRIPTIONS

Superb or Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects
Original gum is not to be expected on 19th Century stamps up to 1888 unless so stated.

Scott 1962 Specialized United States Catalogue is used for cataloguing our lots of United States and Scott's Standard Catalogue, 1962 for others.

THE NEWBURY COLLECTION

PART V

THE 19th CENTURY GENERAL COLLECTION

Although the Newbury Collection was noted for the truly magnificent range of material in the various specialized collections which we have offered, all or in part, in the previous four Newbury sales, it will no doubt surprise many to receive this catalogue of the Newbury General Collection of 19th Century stamps. This was housed in a handsome two volume Scott International Album. The collection was formed for pleasure rather than study. As with so many advanced collectors the owner enjoyed the attempt to fill the album spaces just as so many others of us have. In this case however the attempt was eminently successful.

Since all countries which issued stamps during the 19th Century are represented there is of necessity many elusive and seldom seen stamps represented, not only those of high catalogue value, but numerous more moderate priced items as well.

Space prohibits the mention of all the unusual stamps herein, but the French Colonies form a notable group, including many really great rarities, not a few of which are signed by the late "G. Gilbert." There is also a fine range of British Empire, while among the Europeans are such gems as Lombardy Newspaper Tax 1 kr. used, Belgium 1878, 5 Fr. unused, Bremen, 1855, 3gr. an o.g. strip of three, and a Brilliant Basel Dove. The early Uruguay are notable, including the Diligencias, as also are the Bolivia, Colombia, and Peru.

The country lots are veritable collections in themselves, replete with scarce and unusual stamps, cancellations, and other pieces to charm and delight the buyer.

This profusely illustrated catalogue with all lots carefully described in our usual manner has been prepared to enable one to bid with confidence. We also feel it is a worthy addition to the recording of another portion of this great collection.

LOTS ON VIEW FROM OCTOBER 22nd

OFFICE OPEN SATURDAY, NOVEMBER 3rd

ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is \$30.00 to \$40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

E. I	up to \$10.00	E. VIII	\$100.00 to \$150.00
E. II	\$10.00 to \$20.00	E. IX	\$150.00 to \$200.00
E. III	\$20.00 to \$30.00	E. X	\$200.00 to \$250.00
