CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

There was a man in our town,
And he was wonderful wise.
He jumped into a breakfast dish,
And scratched out belly aches.

Now when he saw the eyes were out,
With all his might and main,
He jumped into another dish,
And scratched them in again.

THE GEORGE D. CABOT COLLECTION of STATE REVENUE STAMPS

We offer in the following lots the remarkable collection of **State Revenue** stamps formed by the late Mr. George D. Cabot. For many years Mr. Cabot was the leading authority on these interesting issues. It was this collection that formed the basis for his catalogue of "State Revenue Stamps of the U. S." now the standard work on the subject.

Each lot is a comprehensive collection of the state named. Many include extensive notes and correspondence in addition to the stamps. There are many varieties some probably being unique, as well as essays, proofs, specimens, sets, blocks, panes, and varieties of various kinds.

Condition throughout is exceptionally high, in most instances the stamps are very fine or better, and this applies to the early issues as well as the modern but extremely fragile decalcomanias.

Here is an unrivalled opportunity to acquire much unusual and elusive material, an opportunity that is not likely to be repeated for a long time to come.

NOTE: Catalogue numbers are according to Cabot's "State Revenue Stamps of the U. S."
