THE JOSIAH K. LILLY COLLECTION

Part II

British Commonwealth

Great Britain and British Commonwealth issues of Aden through Mauritius, comprise the first portion of the foreign stamps of the fabulous Lilly Collection.

This section, which catalogues over one-third of a million dollars, will continue to give a further insight into the broad range and value of this beautiful collection of unused stamps of the world.

Appropriately, it begins with an extremely fine block of the world's first postage stamp, the 1840 Penny Black. A lovely pair of the 1840 2p blue, a remarkable 1882 10/-, the scarce £ values and the rare Edward 2p Tyrian Plum are a few of the gems to be found here. The Officials include a block of the VF Penny Black #01 and three of the £1 brown violet values.

Among the Colonies and Dominions, we find many desirable stamps that appear only seldom on the market. Such unusual varieties as the British Central Africa 1907 2p and 4p, British Guiana 1856 4c in unused condition, one of several known copies, and a block of four, one of two known, of the 1852 1c showing pairs of both types are examples of what can be seen here.

One of the world's most desirable rarities, Canada's 12p black is here in an outstanding copy; the 7¹/₂p is represented by two singles and a pair; "Pence" issues, large and small "Queens" and a profusion of later issues make this a most noteworthy collection of this country alone.

Cape of Good Hope, whose triangular issues have such a wide appeal, is well represented in pairs and blocks; Ceylon "Pence" issues and a range of high values to 1000r make this, too, a distinguished group. High values of several African colonies, as the Kenya £20, £25 and £50 will undoubtedly provide keen interest among the collectors of these issues.

Mauritius offers several breath-taking pieces: the magnificent unique block of four of the 1848 1p orange, singles of the 1p and 2p of the same issue plus the 2p "PENOE" error.

Besides these major items, hundreds of other fine and scarce stamps are to be found among the various other countries in this collection.

The balance of the British Commonwealth issues will be offered for sale in March 1968.

The collector who has eagerly awaited this and the following sales, will find here many of the long wanted and seldom seen varieties.

We wish them happy hunting.

CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is". Claims for any lot proving otherwise, must be made within two weeks from date of sale.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction to persons known to us or who supply acceptable references, conditional upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

DESCRIPTIONS

Superb or Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum (OG) is not to be expected on 19th Century stamps unless so stated.

Mint—have never been hinged.

Scott 1967 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1967 for others.
