# THE JOSIAH K. LILLY COLLECTION

## Part VIII

### British Commonwealth (M to Z Countries)

The earlier sale of the British Commonwealth section of the Lilly Collection was received with considerable enthusiasm, bringing a large number of bidders from abroad. Now, we are pleased to offer the M to Z countries, confident that the many rare and desirable stamps contained here will meet with the same cordial response.

The great popularity of the stamps of the Commonwealth is due in part to the realization by serious collectors of the small number of many of these stamps, issued at a time when relatively few really appreciated them. As a consequence, stamps above the nominal postage values of one or two shillings are often far scarcer than would otherwise be the case. In many instances, fewer than 500 copies of the pound values of a colony were issued. It is no wonder that in a growing market these stamps have begun to show a remarkable appreciation in value.

A brief resume of the contents of this sale reveals that most fabulous rarity, the £25 Northern Nigeria, one of the six known copies, the unique block of 38 of the New South Wales 1852 3p green, the Newfoundland Hawker, DePinedo and Columbia airmails, the Samoa 1914 1 "Shilling" on 1m, Togo 1914 1sh on 1m and the Western Australia 1854 4p with inverted frame, all first rank rarities.

Malaya, which appears first, offers a wide range of States including many of the scarce dollar values such as the Johore 1921 \$50 and \$100, and Trengganu \$25 and \$50. The £5 1902 Natal, a much sought after stamp, is here, as well as a £1.10 of the 1904 issue. The rarest stamp of Nauru, the 10sh indigo blue, is present. The comprehensive collection of New Britain provides a range of rarities not seen in years. Both 5sh on 5m varieties, the 1p on 20pf and 1p on 30pf errors, numerous double and inverted overprints and a lovely copy of the 1p on 2p on 20pf round out this group. The New Brunswick collection contains a gorgeous violet shilling besides two shades of the 6p.

The presentation of Newfoundland is probably the most outstanding of the past decade. Included here are some of the finest of the classic issues. A 4p scarlet vermilion, two complete sheets of the 8p, an outstanding copy of the 1sh scarlet vermilion, 6p and 1sh orange, and a 1p reddish brown are some of the gems of this section. A fascinating group of imperforates of the later issues is succeeded by a very fine selection of rare airmail varieties.

A fine lot of Sidney Views of New South Wales and a number of the scarce Postal Fiscals of New Zealand will also be offered.

The popular Nova Scotia issues include a 6p dark green, two copies of the first shilling value and an outstanding copy of the very scarce dull violet shilling.

The very rare £10 Nyasaland, inverted centers of Penrhyn Island, the Rhodesia £1 error of color, St. Christopher 1888 1p on 2½p with the inverted overprint, a rare stamp, St. Helena 1868 1/ on 6p pair, one without overprint (of which only 12 can exist) and the 2½p on 6p blue in a block with two stamps showing a double impression are only a few of the attractions.

World War I issues of Samoa make a strong showing. The extremely rare 3p on 30pf, 4p on 40pf and the 1 Shilling on 1m, the 3sh on 3m with double overprint, all varieties seldom seen or offered are here. Extremely fine copies of the Sierra Leone 1912 £5 and 1921 £5 are accompanied by other pound values. A magnificent pair of the South Australia 1856 1sh violet, the scarce Tobago £1 of 1879, Togo 1914 1m of the second issue and a tete-beche pair of Transvaal 1870 1sh gray green will create interest. West Indies specialists will appreciate the rare Turks Islands provisionals of 1881 which include a 2½p on 6p on 1sh. The rupee values of Zanzibar's 1908 and 1913 issues, ever popular, will grace some successful bidders' pages.

There is no doubt that the dispersal of the Lilly Collection is providing collectors with unusual opportunities to acquire some of the rarest and most desirable items of philately. Furthermore, the growth of the philatelic market in this period of world stress, both here and abroad, is testimony to the strength of that market and to the faith that collectors have in the value of their stamps.

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.

Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All stamps are sold as genuine, except where sold "As Is." Claims for any lot proving otherwise, must be made within two weeks from date of sale.

## DESCRIPTIONS

Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects. Original gum (OG) is not to be expected on 19th Century stamps unless so stated.

Mint—have never been hinged.

Scott 1968 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1968 for others.
