THE JOSIAH K. LILLY COLLECTION

Part IX

U. S. Stamped Envelopes, Telegraphs and Revenues

The late Mr. Lilly gave a great deal of attention to his U.S. Stamped Envelope collection. This is a field that many major collectors had neglected in the past, but this situation has changed substantially since the Close and Barkhausen sales of some years ago. The appearance of so many rarities in these collections stimulated his interest and he purchased many of the important items from these sales, including several unique pieces.

Now that U.S. Stamped Envelopes have become an increasingly desirable section of any important U.S. collection, there is little doubt that this portion of the sale will provide some keen excitement. In acquiring the cream of the Barkhausen, Close and other offerings, Mr. Lilly showed an appreciation for some of the greatest rarities in all the U.S. Postal issues. While postage stamps of equal rarity bring far higher prices since many collectors fail to realize that outstanding stamped envelopes exist only in tiny quantities and few of them ever appear on the market. Sometimes dozens of years may elapse between sales. Now, for the first time in many years, we have such a magnificent opportunity.

Among the gems offered are several of the rare Nesbitt entries in outstanding condition. A 10c Star Die entire (Sc. U32), an entire of the 2c brown, Die 1 (Sc. U48), a cut square of the 2c brown on cream (Sc. U130) not known entire, the only known entire of the 2c vermilion, Die 8 (Sc. U157), an entire of the 3c red "Philadelphia" Die (Sc. U220), the greatest of the 20th Century envelope rarities, the 2c Bi-Centennial on blue (Sc. U525b) are just a few of the tantalizing items. The rare Officials include the 3c black on blue as well as the 3c blue on blue Plimptons, either of which will make a great addition to some outstanding collection.

Mr. Lilly was also particularly fond of his collection of U.S. Revenues, almost all of which he secured in unused condition. The Private Die Proprietaries, more popularly known as the "Match and Medicines", received special emphasis. He was an important buyer of two of the greatest collections of these stamps ever formed, those of the late Prof. Robert Chambers and Edward Stern. As a consequence, we are privileged to offer the finest collection of these ever sold at auction.

Some outstanding pieces in the First Issue revenues include a vertical pair of the imperforate 3c Playing Cards, as well as unused copies of the 6c Proprietary and the perforate \$200. The Second Issue features unused inverted centers of the 1c, 5c, 20c and the \$1.00. A Third Issue \$1.00 with inverted center, considered to be unique unused, is also offered here.

Later issues include the scarce 1898 Provisionals so seldom seen by collectors, unused copies of the \$50 and the \$100 1898 issue, many high denomination stamps which appear so infrequently and an imperforate pair and block of the \$20 1940 Documentary. A most unusual variety is a block of the 15 of the \$1.80 Wine with the misplaced figures of value and five stamps completely without denomination.

We now come to the most remarkable portion of the revenue issues, the Private Die Proprietaries. Almost every listed issue is present in outstanding condition for these stamps. There are many great rarities as well as a considerable number of unlisted varieties, particularly on the Experimental papers. In the Match issues are such rare stamps as the 3c American, 3c Bousfield & Poole, 1c on pink Goldback, the unlisted 1c red Jock & Wildner, 1c Macklin, "Rooster", 1c vermilion New York Match and the silk paper Wilmington. In the Medicine group is a fascinating array of the rare Ayer's, the 4c Kerr on old paper, 2c on pink Moore and one of the choicest copies of the die cut 8c Swaim with the inverted signature. The list can go on and on, but this catalogue reveals them all. Truly a great collection.

It may be useful at this point to call attention to the fact that many of the items listed here have been catalogued at the prices of used stamps, as there are no values given for many of these varieties in unused condition.

END OF FIRST SESSION

SPECIAL EXHIBITION AT ROCHESTER, N. Y.

The United States Envelope lots in this sale will be on display at the booth of the United Postal Stationery Society at the A. P. S. Convention at the Sheraton Hotel in Rochester, N. Y. on Saturday, Sept. 21st and Sunday, Sept. 22nd. For this reason they will not be available for inspection at our offices on Sept. 21st.

SECOND SESSION

THURSDAY, SEPTEMBER 26th, 1968 — 2:00 P. M.

UNITED STATES REVENUE STAMPS

The Josiah K. Lilly Collection of United States Revenue stamps is a most unusual offering in view of the fact that he desired unused stamps. The scarcity of many of the early revenues in unused condition is well known and in this section there will be found numerous choice and desirable lots of great rarity.

All have been examined in ultra-violet light and no trace of cancellation is visible on any of the lots offered as unused.

PRIVATE PROPRIETARY ISSUES

The Josiah K. Lilly Collection of Match and Medicine Stamps is without a doubt, one of the most complete ever assembled and is the finest we have ever offered at auction.

It seems needless to reiterate that ordinary standards of condition cannot apply to the Private Proprietary Issues for the simple reason that most of them were intended to be damaged or defaced in some way when used.

They were used to seal bottles, match boxes and packages and as a result it is normal to expect creases and sometimes thin spots.

Thus, there is no doubt that the Lilly Collection represents the best quality available in these issues. Many of the rarities are the finest known examples, despite some defects. In any case, there are no badly damaged or defaced stamps, even in the Balance of Collection lots.

We have been meticulous in our descriptions, calling attention to many minor, negligible flaws which might well be overlooked but we have the confidence that the informed collector knows the proper standards of condition for these issues and will recognize that this sale is an unparalleled opportunity to acquire some of the world's scarcest stamps.

CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

DESCRIPTIONS

Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum (OG) is not to be expected on 19th Century stamps unless so stated.

Mint—have never been hinged.

Scott 1968 Specialized United States Catalogue is used for cataloging our lots of United States and Scott's Standard Catalogue, 1968 for others.
