CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot the description of which is incorrect is returnable only within three days of receipt. All disputed lots must be returned intact as received. Lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them before the sale.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

DESCRIPTIONS

Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum (OG) is not to be expected on 19th Century stamps unless so stated. Mint—have never been hinged.

OFFICES OPEN SATURDAY BEFORE SALE

- 160 **10c Green, Ty. I, II, III (13-15, 31-33).** A miniature reconstruction of the important margin positions of the lower part of Plate I, comprising bottom corners, Imprints, Center Lines and **BOTH PLATE NUMBERS**. Thirty Positions, represented by 33 stamps, several in multiples. The outstanding piece is the celebrated unused Strip of Three with part L. Imprint and complete Pl. No. 1, from the Jessup Collection, Pos. 51-52-53L1. There is also the Plate No. pair from the Right Pane, Pos. 59-60R1, also from the Jessup Collection. Both these are of extreme rarity and are illustrated on Page 16 of the Mortimer L. Neinken study of the 10c stamps. In addition, there are singles and multiples to complete the imprints on both panes. There are ten Center Line stamps, five from each pane, and six Type I from the bottom row of which two are full corner singles, with enormous margins. Most positions are represented by four-margined imperforates, including two pairs and a strip of three. The few perforated are Pos. 31-32R1, 51R1, 59-60R1 and the Type I, Double Transfer 100 R1. There are a few minor faults (not involving the matchless Plate No. Strip) but these are quite immaterial in such a spectacular showpiece which actually contains eight of the fifteen Imprint positions recorded by Neinken

SUPERB

The most misused term in the entire Philatelic lexicon.

It just doesn't make good sense to apply it to the early classics and then to relate it to recent stamp issues.

The criteria of quality is such that "Superb" lends itself to constant argument.

Since standards of quality are, to a great extent strictly subjective, consistent agreement is literally an unattainable objective.

We no longer use the term "Superb" in our auction catalogs. The discriminating collector who desires superior quality may rely on our term "Very Fine", while we reserve "Extremely Fine" for those relatively few stamps which transcend all standards for the ultimate in quality.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS

If desired, we will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over thirty-nine years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
