FOREWORD

The incomparable, award-winning collection of Miss Katharine Matthies, like so many great collections, is the culmination of a once juvenile interest in stamps and things philatelic. Her serious collecting, however, began in the 1930's and the rich cultural background of this gracious lady is ample evidence why her principal interests are so deeply interwoven with our Postal History.

Two groups predominate in this offering; the Issue of 1847 and the Civil War Patriotic Covers which include the matchless "Angell" covers. Additionally there are various other outstanding Postal History pieces including wonderful Lincoln Covers, choice Confederates and Western covers.

Portions of her collection have frequently been shown at various National and International Stamp Exhibitions and they have invariably received well-merited awards including many "Firsts".

Miss Matthies is active in various Church and Civic organizations in her home city and state. She has been particularly interested in the "Daughters of the American Revolution" in which she has held important offices on a local, state and national level. She presently holds the office of Honorary Vice-President General for Life. Other important organizations in which she is interested and which have contributed to her love of Postal History are the "Mayflower Descendants" and the "Daughters of Colonial Wars."

Considering this background, and with her keen, discerning eye for a choice philatelic piece it is no wonder that this collection is noteworthy for "eye-appeal". Seldom, if ever, has such consistently choice quality been found in such a comprehensive collection.

Though we would be fully justified in employing the most extravagant superlatives to describe the contents of this wonderful collection we are content to employ the customary philatelic terminology. Yet we have full comprehension that such beauty and quality is rarely met with on the scale shown in her collection.

Miss Matthies requests that we mention that the professional guidance of Mr. Harry B. Keffer was of inestimable value and assistance to her in the formation of her collection. This acknowledgement we are happy to make.

The collector of today is fortunate indeed to have the opportunity to participate in the dispersal of this great collection. We anticipate he will make the most of it.

ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is \$30.00 to \$40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

E. I	up to \$10.00	E. IX	\$150.00 to \$200.00
E. II	\$10.00 to \$20.00	E. X	\$200.00 to \$250.00
E. III	\$20.00 to \$30.00	E. XI	\$250.00 to \$350.00

E. V.	\$40.00 to \$50.00	E. XIII	\$500.00 to \$750.00

THE "ANGELL" COVERS

The "Angell" correspondence is without a doubt the most sensational group of American Civil War Patriotic Covers, used to foreign countries and with high value postage stamps, which has ever been preserved. It has remained virtually intact since it was first discovered nearly fifty years ago.

As the story of them is told, these covers were brought to the Scott Stamp and Coin Co.'s Downtown branch on Fulton Street during the 1920's, but they found no interest then in the covers. The seller was referred to a cover enthusiast named White who purchased them intact and was promised another lot on the following day. The seller never returned. White sold his "Angell" covers intact to the late Judge Emerson and Miss Matthies acquired the Emerson covers from the Executors of his Estate. She later acquired a few more "Angell" covers from the Littlecote Stamp Co., and occasional other "Angell" covers which turned up in other sources. These were very few.

The "Angell" Patriotic covers have been shown at numerous important Philatelic Exhibitions here and abroad. They have won "First" wherever displayed and comprise the most noteworthy group of its kind ever assembled.

Now, for the first time in almost fifty years, collectors are given the opportunity to acquire individual covers from this matchless grouping.

At the request of a number of collectors and students we have had prepared a limited number of sets of photographs of the "Angell" Covers in their actual colors and approximating actual sizes. Since this sale will disperse these covers for the first time, collectors or study groups may desire a series of these photographs as a permanent record. A small number of sets are available at \$90.00.
