## CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price. Shipment will be made to a post office box only if the buyer has also furnished a street address. All large lots unsuitable for parcel post will be sent by REA Express collect, or, upon request, REA Air Express collect.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

ROBERT A. SIEGEL

ANDREW LEVITT, Licensed Auctioneers

In sending bids, always state the highest price you are prepared to pay for the lot. Your limit will not be used as a starting bid unless absolutely necessary.

### DESCRIPTIONS

Extremely Fine—the finest condition for noteworthy, outstanding copies.

Very Fine (VF)—means that there is a slight deviation from the above.

Fine (F)—means that the perforations do not touch the design on issues after 1890, but in some cases may just touch in earlier issues; if used, fairly lightly cancelled.

Very Good (VG)—means that the appearance is generally fine but that the perforations cut the design slightly.

Good (G)—means average off-centering; or fairly attractive with slight defects.

Original gum (OG) is not to be expected on 19th Century stamps unless so stated.

Mint—have never been hinged.

#### DO-X TRANS-ALPINE COVERS

Two DO-X planes were turned over by Germany to Italy as part of a war reparations agreement.

They were flown from Altenrhein to La Spezia, Italy, across the Alps.

The DO-X II carried a very few cards and covers which were dropped over the Alps. They were found almost a year later by shepherds and the Swiss Post Office forwarded the mail.

The DO-X II made a few exhibition flights in Italy but no advance notice was given and very few covers were carried. These bear a special cachet.

The DO-X III was flown to La Spezia in May 1932 and a few mail bags were dropped when crossing the Alps. Again, since no advance notice was given, the number of covers and cards was very small. These covers bear a distinctive oval cachet.

## ESTIMATES

Our sales contain many 19th Century covers and fancy cancellations. We have had many requests to give the estimated cash value on these lots. We are trying to place a fair net valuation on each lot as a guide for bidding when no catalogue value portrays the true value. The chart below will be used, for example E. IV means our estimate cash value on this lot is \$30.00 to \$40.00. Lots may actually realize more or less than these estimates and under no circumstances are these estimates to be considered reserves but merely a guide to bidding.

E. I.	up to \$10.00	E. IX	\$150.00 to \$200.00
E. II	\$10.00 to \$20.00	E. X	\$200.00 to \$250.00
E. III	\$20.00 to \$30.00	E. XI	\$250.00 to \$350.00
E. IV	\$30.00 to \$40.00	E. XII	\$350.00 to \$500.00
E. V	\$40.00 to \$50.00	E. XIII	\$500.00 to \$750.00
E. VI	\$50.00 to \$75.00	E. XIV	\$750.00 to \$1000.00
E. VII	\$75.00 to \$100.00	E. XV	\$1000.00 to \$2500.00
E. VIII	\$100.00 to \$150.00	E. XVI	over \$2500.00

## IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH  
PLUS THE ADDED ADVANTAGE OF  
SELLING THROUGH OUR AUCTIONS

If desired, we will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over thirty-nine years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
