## THE SEYMOUR COLLECTION

It is seldom that we have the privilege of presenting at Public Auction a collection of such magnitude and consistent beauty as will be found in this Connoisseur Collection of United States Stamps assembled by Mr. A. T. Seymour of Texas.

His taste and discrimination are evident in virtually every lot in the sale. From the greatest rarities to choice examples of the less expensive stamps there is a consistent brilliancy and freshness which makes this an auction sale of outstanding importance.

Much of the material represents the careful selection of many of the finest and most beautiful rarities to have appeared on the market during the past several years and choice items from important "name collections" will be found to predominate.

This sale presents a tremendous opportunity to acquire some of the rarest and most desirable United States stamps known, many in the finest condition obtainable. To call attention to any single stamp or group hardly seems necessary for the entire sale tells its own story.

The knowing collector, who has searched for years to find beautiful stamps will recognize the consistently exceptional quality which it present throughout. It is a sale of which we are justly proud.

END OF SALE — THANK YOU

## IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH  
PLUS THE ADDED ADVANTAGE OF  
SELLING THROUGH OUR AUCTIONS

If desired, we will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.

## CONDITIONS OF SALE

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
