---

1. The terms of sale are strictly cash to the highest bidder. All buyers are expected to pay for lots within three days of receipt, unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful mail bidders, unless they are known to us or supply acceptable references, will be notified of the amount of the lots secured for them, and are expected to send payment in full before the lots are forwarded.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price. Shipment will be made to a post office box only if the buyer has also furnished a street address. All large lots unsuitable for parcel post will be sent by REA Express collect, or, upon request, REA Air Express collect.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

ESTIMATES

Our sales offer many covers, cancellations, varieties and other items for which there is no catalogue value or where catalogue value does not reflect the actual value. In order to assist our clients, we are placing a fair net valuation on such lots as a guide to bidders. The chart below will be used. For example, E. IV means that our estimated net value on the lot is \$30.00 to \$40.00. Lots may actually realize more or less than our estimates, which are under no circumstances to be considered reserves but merely a guide to bidding.

## OUR FORTIETH YEAR

1970 is our Fortieth Anniversary Year both as auctioneers of rare stamps and dealers in choice philatelic properties. It is a very special year for us as we look back upon our modest beginnings in Kansas City, Missouri.

In the years which have intervened we have become an organization of international stature, constantly entrusted with the dispersal of some of the most valuable and important collections ever to reach the market, including the famed Josiah K. Lilly Collection which, up to the present time, realized more than any other single collection sold at auction. Our annual sales now run into the millions of dollars. This spring we were privileged to offer the world's most valuable stamp for which we obtained the unprecedented price of \$280,000.00.

But our success is not based solely on the sale of single great rarities. It is in our dedicated, professional competence to render the ultimate in service to buyers and sellers alike, regardless of the size and nature of their philatelic holdings.

To look at the past invites us to contemplate the future and we look forward to a bright future for our chosen profession. We look forward to serving an ever-growing number of collectors to whom we dedicate ourselves to deal honorably and with a professional ability second to none.

We respect the anonymity of the multitude of important philatelists who have used our facilities yet desired that their names be held in strictest confidence. We have never sought to capitalize on the names of our clients, using names only when specifically authorized to do so.

So, our Fortieth Anniversary marks both an end and a beginning . . . the end of four decades of growth to a position of major importance in the world of stamps and the beginning of a new period of growth and expansion in which the younger generation is exemplified by our Vice-President, Mr. Andrew Levitt, assuring the continuity of our policies.

We are grateful for the confidence shown in us and in our ability to render unmatched service. The measure of this confidence is evidenced by the magnitude of the important specialized collections entrusted to us, such as those of Mr. Mortimer L. Neinken, Mr. David Kohn, the late Howard Lehman, and the late Marcus White, to say nothing of numerous other important properties now in preparation for sale in the near future. All these properties will receive the careful, professional treatment and handling they deserve from a competent, dedicated staff.

## IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH  
PLUS THE ADDED ADVANTAGE OF  
SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over thirty-four years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
