CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangement have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue and not per piece, unless otherwise announced by the auctioneer at the time of sale.
3. Any lot, the description of which is incorrect is returnable, but only within three days of receipt. All disputed lots must be returned intact as received and lots containing five or more stamps are not returnable at any time. No lots may be returned by purchasers who have had the opportunity to examine them prior to the sale. No illustrated lots may be returned because of centering, margins or other factors shown in the illustration.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. We reserve the right in our sole and absolute discretion to demand cash at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, or lots taken up within seven days from date of sale, they may be resold and any losses arising from such sale charged to the defaulter.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that any such claim is made within 25 days from date of sale. If claim is not made within this period no lots are returnable for any reason at any time. Naturally, so long as we are notified within the 25 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs.
7. The right is reserved to group two or more lots, also withdraw any lot or lots from the sale, or to act on behalf of the seller.
8. Until paid for in full all lots remain the property of Robert A. Siegel Auction Galleries, Inc.
9. No commission is charged for buying at our sales, but all forwarding charges will be added to the purchase price. Shipment will be made to a post office box only if the buyer has also furnished a street address. All large lots unsuitable for parcel post will be sent by REA Express collect, or, upon request, REA Air Express collect.
10. Upon written application lots may be sent for examination prior to the auction, condition upon being mailed back by registered mail, adequately insured, within 24 hours of receipt. The applicant is completely responsible for all lots sent for examination, and for the insurance of same against mishap, from the time of receipt until they are actually received back, and is to pay all expenses of postage and insurance. No lots can be sent for inspection within ten days of the date of sale.
11. The placing of a bid shall constitute acceptance of the forgoing conditions of sale.

545 **The Award-Winning Collection of Oklahoma Territory and Indian Territory Covers** formed by Mr. Tom J. Caldwell of Drumright, Oklahoma, comprising approximately 400 covers beautifully written up in Five Albums. The arrangement is according to Indian Nation, subdivided as follows: **CHEROKEE, CREEK, OTTAWA, QUAPAW, WYANDOTTE, CHOCTAW, CHICKASAW, SEMINOLE, CHEYENNE, ARAPAHOE and OKLAHOMA TERRITORY** itself. Covers date from the 1840's to 1907 mainly 1880's-1905 and represent a majority of the Post Offices which were established during that time. Some date from the time parts of the Indian Nations were considered in Arkansas. Each different town represented is mounted on a separate page, with the history of the Post Office neatly typed, and at the bottom of the page is a hand-drawn map, showing the town in relation to Oklahoma itself, and with an enlarged, hand-drawn map showing its relationship to nearby communities. Numerous early "Forts" are present; it is simply too voluminous to try and describe every cover or even give representative town names for there is a high degree of completeness. All covers are different as to town or type, but as types are few, the collection is mostly of different towns. Condition is mixed, as would be expected in a collection of this nature. Some of the town postmarks are very rare and there is little choice of condition. Generally, condition runs good to fine; there are some damaged covers, but with rare postmarks, and some are very fine. It would be a form of philatelic vandalism to break into this collection and destroy the labor and research of Mr. Caldwell so we are offering this very unusual collection intact, as a unit. It is of exhibition calibre and has won several awards. It is of a high degree of completeness, yet lacking enough to make the pursuit of further covers a worth-while endeavor. In addition to the extensive research and writing-up of the covers, there are numerous collateral items, in the form of early pictures, railroad ticket stubs, etc., which enhance the interest.

This is an unprecedented opportunity to expand one's interest into a Postal History area of unusual significance and to expand this important collection. Our estimated value of \$2,500.00 to \$3,500.00 net, is quite conservative. We illustrate a few representative covers

The Fence that Uncle Abe built.

What though it be a humble fence—
It makes a wall that never quakes—
And is pattern pure and strong—
Enduring right dominating wrong—
God-speed our brave spiritual army!

On, on to the rescue, the Vandals are coming—
Go meet them with bayonet, sword and spear!
Drive them back to the desolate land they are leaving—
Go, trusting in God, you'll have nothing to fear.
