- 256 **1c Blue, Ty. Va, Plate 5 (24 var.).** An important specialized study of this interesting and elusive variety comprising 101 stamps plus 20 stamps on eleven covers. Nearly all have been plated and many are on diagrammed mounts, showing plating and other characteristics. There are numerous identified plate varieties, marginal positions, identified reliefs, in fact, everything that pertains to a highly specialized study. It must be remembered that when the study of this variety was commenced it was believed they came from a Plate 6. However, subsequent research has determined that the Type Va are from Plate 5, even though some of the plated positions in this collection are identified as "Plate 6". Condition is largely of excellent quality with many Fine to Very Fine items. There are occasional items of plating quality only, but have been included as part of the specialized study. However, the collection is full of choice and desirable items and, while of major importance in its own right, there is a great opportunity for expansion. Quite a number of multiples are present, mainly pairs and strips of three. A wonderful offering, virtually impossible to duplicate

LOOKING AHEAD TO FALL

We are now in the midst of preparing for our Fall Season and promise you some outstanding auctions.

In September we will conduct an important auction at the A.P.S. Convention in New Haven, Connecticut.

We have fine Postal History material on our schedule among other desirable material.

We still have some favorable dates open and if you have suitable material of auction stature and quality we can promise you the advantage of our experience and expertise in the dispersal of your material.

If you desire to remain anonymous, all negotiations will be conducted with utmost privacy.

DO YOU HAVE STAMPS FOR SALE?

The offer to bring you to New York at our expense in behalf of our retail firm, Robert A. Siegel, Inc. is still open.

Our investor-client is still buying and is just as anxious as ever to purchase United States stamps. Wanted are worthwhile collections, accumulations, stock or holdings.

IF WE CANNOT MAKE SUITABLE ARRANGEMENTS TO CALL ON YOU TO EXAMINE YOUR COLLECTION OR HOLDINGS WE ARE WILLING TO BRING YOU TO NEW YORK WITH YOUR MATERIAL. IF WE BUY IT WE WILL PAY ROUND TRIP TRANSPORTATION: IF WE DO NOT BUY WE WILL PAY THE ONE WAY FARE.

This offer is valid no matter where you are in the United States.

ALL ARRANGEMENTS WILL BE MADE BY US IN ADVANCE AFTER WE HAVE BEEN IN TOUCH WITH YOU BY MAIL OR TELEPHONE.

Obviously the material you have for sale must be of a value to warrant the expense but we are always interested in considering any offer with a value of \$500.00 or more.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty-two years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
