CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt and in any case it must be received by the auctioneer within four weeks from the date of the auction. All disputed lots must be returned intact as received and the following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay a maximum fee of \$10.00 for each such item.
7. Until paid in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

800	8c Emily Dickinson (1436 var.). A remarkable, newly discovered error with the name "Emily Dickenson" clearly double. There is a light impression in normal position, and a full, dark impression shifted far to the right, partly into the adjoining stamps. Also the "U. S. 8c", which is printed in green and in black is at the left side of the stamp instead of the right. Perforations, too, are not accurately placed with "American Poet" variously above or below the perforations as well as being split between two stamps. The most remarkable feature, however, is the strong clear, double impression of the name "Emily Dickenson". The sheet is mint and shows the misprint in side selvage. It is entirely without plate numbers but "Mr. Zip" is present at the top right corner. One of the outstanding and spectacular errors of our modern multi-color issues. Obviously a very great rarity. TAX PAIDS

1084A	Tobacco & Cigarette Tax Paid Stamps. A very extensive and highly specialized collection of these interesting revenue issues. It comprises 880 stamps beautifully mounted and written up in two de-luxe albums and two large loose-leaf books. Just about every one of these issues are represented commencing with the earliest issues of 1868. It proceeds throughout each succeeding issue, with a wealth of different papers, perforation and rouletted issues and varieties. There are some multiples, including a plate number block considered to be unique. There are numerous examples of the large "Tax Pairs" covering taxes on heavy weights of tobacco and tobacco products, many with odd denominations to cover particular tax rates. The section devoted to Cigarette stamps demonstrates the same high degree of completeness and specialization. It is impossible to do full justice to such a collection in any verbal description. Each album page is enclosed in an individual transparent acetate protection sheet. Much of the writing-up is done by typewriter on small slips of paper to head the pages or to call attention to items of particular interest. Accompanying the collection are copies of the two most authoritative books on these issues, The Vanderhoof Memorial Book and the Henry Tolman, II, Catalogue of Cigarette stamps. The condition throughout is excellent, probably as fine as it is possible to obtain. Here is a wonderful opportunity to acquire such an important collection in a highly interesting field		E. XIII

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty-three years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
