## CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt and in any case it must be received by the auctioneer within four weeks from the date of the auction. All disputed lots must be returned intact as received and the following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

# WE ANNOUNCE!

---

This November we will sell at auction the matchless

## EDITH M. FAULSTICH COLLECTION OF WORLD-WIDE POSTAL HISTORY !

This great collection, a veritable "Saga of the Mails" as part of it is entitled, encompasses the period from ancient Babylonian Clay Tablets, the old Egyptian letters on papyrus right through to modern times.

Among featured sections will be found the most comprehensive offering of American Colonial and Revolutionary letters ever presented at one time. The historic development of the European mails are broadly covered and the wars, which have plagued mankind throughout all history are all pictured through the letters of the military, high and low.

### RECENTLY PUBLISHED

For a good adventure tale with a background of stamps we recommend "The Scarlet Ruse" by John D. McDonald.

## CALIFORNIA IN OCTOBER

We are attending "SESCAL" in Los Angeles and can be reached at our suite in the Los Angeles Hilton Hotel during our stay, October 10th-14th. We will also be in the San Francisco Bay Area.

Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty-three years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
