END OF SALE — THANK YOU

OUR 1974 RARITY SALE!

We are now preparing our 1974 Rarity Sale, an annual event eagerly awaited by the Philatelic World.

The sale is limited to 275 lots and material already submitted rapidly approaches that figure. There is still room for a few more lots of Rarity Sale quality and value and if you have anything you wish to put in this sale, please notify us immediately.

Last year we were compelled to disappoint too many would-be sellers of fine material which was offered us too late. We would not want to disappoint you so prompt action is very desirable.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH PLUS THE ADDED ADVANTAGE OF SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraisal value, of what your collection should realize at auction. There is no interest charge.

Your collection will then be sold in one of our coming auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is no lotting fee or any other charges. Final settlement is made within five weeks after the sale. We have been continuously conducting stamp auctions in the United States for over forty-four years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps direct for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. If circumstances warrant due to bulk or value, we will travel anywhere to inspect important properties.
