The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.

There are few "Constantinople", "Smyrna", etc. However, Palestine pmks. predominate. There are many scarce stamps and sets, some with high catalogue value, especially in the German and Italian Offices. The biggest showing is in Austrian offices, which are virtually complete, with numerous valuable items. Condition standards are high, with nearly all being Fine-Very Fine. The collection is neatly mounted with considerable "writing-up". Album pages are protected by acetates throughout and are contained in a multi-ring binder of fine plastic and richly finished and padded. A choice collection of important stature, yet well suited for continuance and expansion ..... | E. XV  |
