## **SUPPORT CHANNEL 13**

### **(WNET/13)**

Channel 13, New York area's public television station, is planning a nine-day on-air Auction from June 6 to 14. During that time, a myriad of goods, services, art objects, antiques, fashion items, celebrity memorabilia, etc. will be auctioned off for the benefit of the station.

Certainly, an event of this importance would not be exciting without the inclusion of a philatelic representation. Philately is understood to be the World's number one collection hobby; as such the offering of important philatelic items is to be included.

A brochure is available from WNET/13 which will give an idea of the vast scope of the Auction and will describe the benefits—tax deductibility and a fine opportunity for visibility in the station's tri-state area. For donations of \$100 to \$1,000 retail, you will receive two on-air mentions (if desired). Donations of between \$50 and \$100 are also acceptable without on-air mention.

The Ford Foundation is matching the Auction income dollar-for-dollar and the aim is to garner an exciting blend of donations to make this fund-raising event the most successful in Channel 13's history.
