## POSTAL STATIONERY

### ENVELOPE STAMPS, PROOFS AND ESSAYS

The following lots are ex-Marcus White. Virtually every one of these items is very scarce; a number are unique. These have been listed and classified according to the Thorp-Bartels Catalogue of United States Stamped Envelopes, Century Edition which was published in 1954. Obviously the pricing of twenty-three years ago cannot reflect the values of today, a fact we are sure that bidders will realize in competing for the wealth of unusual material offered here.
