The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.

5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.

If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

## END OF FIRST SESSION

### DESCRIPTIONS

**EXTREMELY FINE:** The finest condition for noteworthy, outstanding copies.

**VERY FINE: (V. F.)** In prime condition such as to satisfy the requirements of particular collectors.

**FINE: (F)** Perforations or margins do not touch design on issues after 1890 but in some cases may just touch in earlier issues. If used, fairly light cancellation.

**VERY GOOD: (V. G.)** Generally nice appearance but margins or perforations may cut in slightly.

**GOOD:** Average off-centering or fairly attractive with slight defects.

**ORIGINAL GUM is not to be expected on 19th century stamps unless so stated in the description.**

**MINT:** With original gum and never hinged.

Unless otherwise noted, Scott 1977 Standard Postage Stamp Catalogue Volumes 1, 2, 3 and 4 and The Philatelic Publishing Company 1977 Canada Specialized have been used for cataloguing lots in this sale.
