THE W. PARSONS TODD COLLECTION

The keen eye and philatelic acumen of W. Parsons Todd was amply verified by the remarkable realization of the first Todd sale in September, 1977. Record prices for individual items and a record total realization of \$1,088,305 for a single U.S. sale point up not only the rarity and quality of the Todd collection but also the strength and continuing demand for United States stamps.

A second section is now being offered which is composed of Proofs, Bank Note Company Issues, Bureau Issues, Postal History Covers and an award-winning Postal Stationery Collection. The same foresight which resulted in the formation of the other portions of his fine collection is evident in the material offered here. Very fine Proofs and seldom seen Bank Note, Columbian and Bureau Blocks are impressively present. The rare Bluish Papers as well as scarce large pieces and plate number blocks are well represented. The Postal Stationery Collection gathered with the aid of Mr. Todd's longtime friend H. Prescott Thorp stands on its own merit, and together with a group of Postal History covers rounds out a section of this sale of unusual interest.

Still to be offered is the prestigious section of U.S. stamps overprinted for use in Guam and the Philippines, and also stamps of the other U.S. Possessions. This will be the nucleus for a third sale tentatively scheduled for May, 1978.

This series of offerings is certainly the finest of this nature in the past decade and will be remembered as such for many years to come.

END OF FIRST SESSION

DESCRIPTIONS

EXTREMELY FINE: The finest condition for noteworthy, outstanding stamps.

VERY FINE: In prime condition such as to satisfy the requirements of particular collectors.

FINE: Perforations or margins do not touch design on issues after 1890 but in some cases may just touch on earlier issues. If used, fairly light cancellation.

VERY GOOD: Generally nice appearance but margins or perforations may cut in slightly.

GOOD: Average off-centering or fairly attractive with slight defects.

ORIGINAL GUM is not to be expected on 19th century stamps unless so stated in the description.

MINT: With original gum and never hinged.

Unless otherwise noted Scott 1978 Specialized Catalogue of U.S. Stamps, Scott 1978 Standard Postage Stamp Catalogue Volume I and Thorp-Bartels Catalogue of the Stamped Envelopes and Wrappers of the United States have been used for cataloguing lots in this sale.

CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.
9. Lots may be sent for inspection to buyers known to us upon written application. All such lots must be returned to us by registered mail, adequately insured and within 24 hours after receipt. The applicant assumes all responsibility and for insurance against all risks from time of receipt until they are actually received back by us, and is to pay all expenses of postage and insurance. **No lots can be sent for inspection within eight days from date of local viewing. Large lots and collections cannot be sent for inspection.**
10. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
