ESTABLISHED 48 YEARS**

The W. Parsons Todd Centennial was observed on November 18, 1977 at the Macculloch Hall Historical Museum, Morristown, N. J., where two rooms were dedicated in his memory. An attempt was made through pictures and memorabilia to encompass some aspects of his life in these rooms. To mark the occasion a commemorative cachet cover was issued bearing the likeness of Mr. Todd, from the 1960 painting by the celebrated artist, Elmer Greene. The Postmaster of Morristown hand canceled these covers by special permission of the United States Post Office.

We think collectors who have acquired items from the Todd stamp collections would be interested in knowing more about Mr. Todd as a Philanthropist, far-seeing Industrialist and Preserver of the Past. In the fall of 1977 the Historic American Engineering Record, an organization formed by the National Park Service, a division of the United States Department of the Interior, the Library of Congress, and the American Society of Civil Engineers, selected the Quincy Mine to be studied and recorded in perpetuity in the Prints and Photographs Division of the Library of Congress. The documentation would consist of written reports produced by historians, measured drawings of extant structures and machines by architects and photographs of existing structures as well as photocopies of old maps, drawings and photographs.

The Quincy Mine of which Mr. Todd was President for 52 years, contains the finest artifactual remains in the entire Keweenaw Peninsula. For example, the mine site contains an 1890 roundhouse with three locomotives, a 1900 blacksmith shop and equipment, a 1900 equipped machine shop, a 1907 shafthouse and such artifacts as skips, pumps, and railcars. Mr. Todd carefully preserved these artifacts and even rehabilitated the 1920 hoist through the Quincy Mine Hoist Association. It is to be noted that Michigan's Keweenaw Peninsula in its heyday was of national and even worldwide importance as a copper producer. Thus with the passage of time his emergence as a national figure will ultimately be realized. Then he will be eligible to have his likeness on a postage stamp with a background that hopefully will objectify many of his interests.

Part III of the W. Parsons Todd Collection concludes the amazing collection formed by the late Mr. Todd. Special attention is called to U. S. Possessions, a remarkable offering in this auction sale.

CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.
