The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**

In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

END OF SALE — THANK YOU

RARITY SALE

We are now accepting material for our 1979 "Rarities of the World" Sale.

Since we must limit the number of lots in this sale it is necessary to consign early to avoid disappointment.

We shall be pleased to answer inquiries about inclusion of your philatelic items in this prestigious sale.

CONFIDENCE

In recent years we have sold a greater dollar value in United States and Foreign Stamps than any other Auction Firm in the Western Hemisphere.

This is an indisputable fact!

We look upon this achievement as a measure of the confidence shown in us both by buyers and sellers at our sales.

Mutual confidence is a prime requisite in successful auctioneering. The seller trusts our ability to do the best we possibly can for him and the buyer knows that whatever we offer is accurately and properly presented, and, where pertinent, fairly evaluated.

Perhaps this accounts for the fact that in sale after sale we establish new records for material of quality.

With a distinguished clientele of sophisticated and knowledgeable philatelists eager for fine material, our organization in full recognition of the confidence shown in us will continue to do the best job possible for either the buyer or the seller.

IS YOUR COLLECTION FOR SALE?

**REALIZE IMMEDIATE CASH
PLUS THE ADDED ADVANTAGE OF
SELLING THROUGH OUR AUCTIONS**

We will advance immediate cash up to 75% of our appraised value.
There is no interest charge.

Your collection is then sold in one of our auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is **no lotting fee** nor any other charges. Final settlement is made within five weeks after the sale. We have continuously conducted stamp auctions for over forty-eight years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps directly for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. We will travel anywhere to inspect important properties.
