The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.

5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.

If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.

RARITY SALE

We are now accepting material for our 1979 "Rarities of the World" Sale.

Since we must limit the number of lots in this sale it is necessary to consign early to avoid disappointment.

We shall be pleased to answer inquiries about inclusion of your philatelic items in this prestigious sale.

CONFIDENCE

In recent years we have sold a greater dollar value in United States and Foreign Stamps than any other Auction Firm in the Western Hemisphere.

This is an indisputable fact!

We look upon this achievement as a measure of the confidence shown in us both by buyers and sellers at our sales.

Mutual confidence is a prime requisite in successful auctioneering. The seller trusts our ability to do the best we possibly can for him and the buyer knows that whatever we offer is accurately and properly presented, and, where pertinent, fairly evaluated.

Perhaps this accounts for the fact that in sale after sale we establish new records for material of quality.

With a distinguished clientele of sophisticated and knowledgeable philatelists eager for fine material, our organization in full recognition of the confidence shown in us will continue to do the best job possible for either the buyer or the seller.

IS YOUR COLLECTION FOR SALE?

**REALIZE IMMEDIATE CASH

Your collection is then sold in one of our auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 20% of the gross realization. There is **no lotting fee** nor any other charges. Final settlement is made within five weeks after the sale. We have continuously conducted stamp auctions for over forty-eight years.
