CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**

Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

END OF FIRST SESSION

DESCRIPTIONS

EXTREMELY FINE: The finest condition for noteworthy, outstanding stamps.

VERY FINE: (VF) In prime condition such as to satisfy the requirements of particular collectors.

FINE: (F) Perforations or margins do not touch design on issues after 1890 but in some cases may just touch in earlier issues. If used, fairly light cancellation.

VERY GOOD: (VG) Generally nice appearance but margins or perforations may cut in slightly.

GOOD: (G) Average off-centering or fairly attractive with slight defects.

ORIGINAL GUM is not to be expected on stamps issued prior to 1890 unless so stated in the description.

MINT: With original gum and never hinged.

Unless otherwise noted the 1979 Scott Vol. 1-4 Standard Postage Stamp Catalogues, 1978 Bolaffi Specialized, Sanabria Air Post Catalog and Gibbons British Commonwealth Catalogues have been used for cataloguing.

END OF SALE — THANK YOU

**STAMPS ARE
SELLING AT AN
ALL TIME HIGH!**

THIS MAY BE THE TIME TO SELL SOME OF
YOUR STAMP HOLDINGS.

IF YOU ARE INTERESTED WE SHALL BE
PLEASED TO OFFER OUR SERVICES.

NEW LOWER COMMISSION

Effective May 1st, an all-inclusive **10% commission** (based on sales price) **will be charged our consignors**. An equal **10% commission** (premium) **will be charged our buyers**. These commissions based on the sale price (hammer price) represents an overall commission of 18.18% of the buyers purchase price as compared with the former 20% which was charged to consignors only.

The new plan, in operation in European Stamp Auctions for many years, has been more recently employed in Fine Art Auctions in the United States.

The sharing of "selling costs" of seller with buyer has induced many previously reluctant sellers to part with their holdings. The results have proved advantageous for both.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH

PLUS THE ADDED ADVANTAGE OF

SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraised value.
There is no interest charge.

Your collection is then sold in one of our auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 10% of the sale realization (hammer price). An equal 10% commission (premium) will be charged our buyers. There is **no lotting fee** nor any other charges. Final settlement is made within five weeks after the sale. We have continuously conducted stamp auctions for over forty eight years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps directly for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. We will travel anywhere to inspect important properties.
