END OF SALE
THANK YOU

A 10% PREMIUM WILL BE ADDED TO THE HAMMER PRICE AS PART
OF THE TOTAL PURCHASE PRICE.

NEW LOWER COMMISSION

Now in effect, an all-inclusive **10% commission** (based on sales price) **will be charged our consignors**. An equal **10% commission** (premium) **will be charged our buyers**. These commissions based on the sale price (hammer price) represents an overall commission of 18.18% of the buyers purchase price as compared with the former 20% which was charged to consignors only.

The new plan, in operation in European Stamp Auctions for many years, has been more recently employed in Fine Art Auctions in the United States.

The sharing of "selling costs" of seller with buyer has induced many previously reluctant sellers to part with their holdings. The results have proved advantageous for both.

IS YOUR COLLECTION FOR SALE?

REALIZE IMMEDIATE CASH

PLUS THE ADDED ADVANTAGE OF

SELLING THROUGH OUR AUCTIONS

We will advance immediate cash up to 75% of our appraised value.
There is no interest charge.

Your collection is then sold in one of our auction sales. All stamps are expertly and advantageously lotted in attractive, well illustrated catalogs. Lotting is meticulously planned under our personal supervision. Commission is 10% of the sale realization (hammer price). An equal 10% commission (premium) will be charged our buyers. There is **no lotting fee** nor any other charges. Final settlement is made within five weeks after the sale. We have continuously conducted stamp auctions for over forty nine years.

Valuable collections and stamp holdings are especially wanted, but we will accept properties valued from \$500 upwards. Send all stamps directly for appraisal. Auction advance will be remitted shortly after receipt. If not entirely pleased, stamps will be returned at our expense. We will travel anywhere to inspect important properties.
