2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**

Mail bidders will be notified of the amount of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. 5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.

UNITED STATES POSTAL HISTORY

A PORTION OF THE
“MARC HAAS POSTAL HISTORY COLLECTION”

AT UNRESERVED PUBLIC AUCTION

TUESDAY, APRIL 22, 1980 at 1:00 P.M.

Robert A. Siegel
AUCTION GALLERIES, INC.

120 EAST 56th STREET
NEW YORK, N.Y. 10022
TEL.: (212) 753-6421

We are pleased that the Robert A. Siegel Auction Galleries, Inc. have been selected by Stanley Gibbons Limited of London, the present owners of the "Marc Haas Collection", to make the initial auction offering of a representative group of the gems from the Marc Haas Postal History Collection. We wish to acknowledge gratefully the assistance of their New York Office in preparing the offering from this collection.

Mr. Haas, in looking for unusual items in prime quality condition, secured the finest treasures from most of the famous postal history collections formed in the past. Over a 30 year period he patiently gleaned "prizes" from the well-known collections of Ackerman, the Bakers, Brown, Caspary, Clifford, Gibson, Harris, Jessup, Kimmel, Knapp, Krug, Malcolm, Meroni, Rohloff, Seybold, West. The list almost reads like a *Who's Who* of Postal History Philately.

We are departing from our usual practice of suggesting estimates of value due to the incomparable beauty, quality and rarity of the items being offered. There is at present no guide post to translating into monetary terms the value of these remarkable showpieces. Perhaps this first unreserved auction offering will help to establish the market.

ROBERT A. SIEGEL

Upon request estimate of value furnished on any lots in this auction.
