FOREWORD

It is with understandable pride that we put together the 1983 "Rarities of the World" Sale. This is the twentieth in a series of Sales which have come to be regarded as an outstanding annual event in Philately. This year's sale, held in a period of increasing business optimism, promises to set new realization records—particularly in the increasingly popular area of Postal History. That Postal History has "Come of Age" is demonstrated by the fact that nearly half the lots in the sale are cover lots. The quantity of covers is not by design. Every one of the covers offered is remarkable for either rarity or for quality. It has been over two decades since a comparable group of Confederate States Covers (which represents nearly half the lots in the sale) have been offered in one sale.

To praise the Postal History in no way denigrates the stamps that are being offered. Three 1c Type I 1851 Issue, numerous very fine inverts, handsome multiples of rare and difficult stamps, unique errors and the extremely rare—all are present in abundance.

I hope that you will all have the opportunity to look at and enjoy these stamps as much as I have.

The sale will be held in the beautiful Versailles Room of the Palace Hotel. As seating accommodations are limited, advance reservations are advisable. A note or call to our office will assure you of seating.

A handwritten signature in dark ink, reading "Robert A. Siegel". The signature is written in a cursive style with a large, looping initial 'R' and a long, sweeping underline.

Upon request estimate of value furnished on any lots in this auction.

CONDITIONS OF SALE

1. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale. The fact that an item is placed on extension (submitted to an expertising committee for certification) does not relieve the successful bidder from this condition of sale.
2. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act in behalf of the seller. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
3. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**
4. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amounts of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
5. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
6. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00. In the event an item is proved "not as described" it is returnable for full refund, and the buyer will be paid interest (at the prevailing Treasury Bill Rate) for the time his funds have been on deposit with us during the extension period.
7. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
8. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.
9. Lots may be sent for inspection to buyers known to us upon written application. All such lots must be returned to us by registered mail, adequately insured and within 24 hours after receipt. The applicant assumes all responsibility and will provide insurance against all risks from time of receipt until they are actually received back by us, and is to pay all expenses of postage and insurance. **No lots can be sent for inspection within ten days from date of local viewing. Large lots and collections cannot be sent for inspection.**
10. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
11. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

Flag of the South! Aye fling its folds
Upon the kindred breeze;
Emblem of dread to tyrants bold,
Of Freedom on the seas,
Long may its stars and stripes
In cloudless glory wave,
Red, white and blue—eternal types
Of nations free and brave.

in haste

When the impact of war convulsions set hand,
The better shall never meet Freedom's comely sister.
Yet measured on its moral life it will stand
and register with the brave heart the accents of its words
The sword from the sheath of its sheath will leap

Arise! Arise! each Southern man,
Your armor buckle on,
With rifle or whatever you can
To reach the battle zone.
For battles must be won!
And all the foe doth leave our rear,
We'll first resolve each one will stand,
To strike to death for Dixie!
And each one smites with uplift hand,
No foe shall conquer Dixie!

Our father's faith let us keep till death,
Their fame in its cloudless splendor;
As men who stand for their mother land,
And die, but never surrender;
With the Cannon's flash, with the Cannon's
crash,
With the Cannon's roar and rattle;
Let Freedom's sons, with their gleaming
guns
Go down to their country's grave.
