AUCTION GALLERIES, INC.

160 EAST 56th STREET
NEW YORK CITY, NY 10022

CONDITIONS OF SALE

1. On all lots sold a commission of 10% on the hammer price is payable by the buyer.
2. The terms of sale are strictly cash on delivery to the highest bidder unless special arrangements have been made prior to the sale. The fact that an item is placed on extension (submitted to an expertizing committee for certification) does not relieve the successful bidder from this condition of sale.
3. All bids are per lot as numbered in the catalogue unless otherwise announced by the auctioneer at the time of sale. The right is reserved to group two or more lots; to withdraw any lot or lots from the sale, or to act on behalf of the seller. The Galleries will bid on behalf of clients, but will not be responsible for any errors in the execution of bidding instructions. The auctioneer shall regulate the bidding and in the event of any dispute his decision shall be final.
4. Any lot, the description of which is incorrect is returnable, but only within five days of receipt. All disputed lots must be returned intact as received. **The following lots may not be returned for any reason whatsoever: Lots containing ten or more stamps; Lots from buyers who have had the opportunity to examine them before the sale; Lots described as having defects or faults may not be returned because of any faults. No illustrated lots may be returned because of centering, margins or other factors shown in the illustrations.**
5. Successful bidders, unless they are known to us or supply acceptable references are expected to make payment in full before the lots are delivered. Mail bidders will be notified of the amounts of their purchases. All mail bidders who have established credit with us must make payment within three days after receipt. We reserve the right in our sole and absolute discretion to demand cash payment at the time a lot is knocked down to any bidder who has not previously established credit with us or whose account is in arrears. In the event any buyer refuses to pay cash for any lot at the time it is knocked down to him, the auctioneer reserves the right to re-offer the lot immediately for sale to the highest bidder.
6. If the purchase price has not been paid within the time limit, nor lots taken up within seven days from date of sale they must be resold and any loss arising from such sale will be charged to the defaulter. Any account more than thirty days in arrears is subject to a late payment charge of 1½% per month so long as the account remains in arrears. If the auctioneer, in his discretion, should institute any legal action to secure payment of a delinquent account the defaulting purchaser shall pay all legal expense incurred by the auctioneer and such charges will be added to the amount owed.
7. All lots are sold as genuine but should any lot be proved otherwise by written opinion of any competent, responsible authority acceptable to us, immediate refund of the full purchase price will be made, provided that such claim is made in writing within 14 days from date of sale. If claim is not made within this period, no lots are returnable for any reason at any time. So long as we are notified within the 14 day period that an opinion is being sought the matter will remain open until such opinion is rendered. We will not be responsible for any charges incurred by the buyer for expertization fees and costs unless the opinion states the item is not genuine, in which case we will pay actual costs up to a maximum of \$50.00. In the event an item is proved "not as described" it is returnable for full refund, and the buyer will be paid interest (at the prevailing Treasury Bill Rate) for the time his funds have been on deposit with us during the extension period.
8. Until paid for in full, all lots remain the property of Robert A. Siegel Auction Galleries, Inc. in behalf of the seller.
9. All forwarding charges will be added to the purchase price. The mode of shipment shall be at our option unless we are given specific instructions.
10. Lots may be sent for inspection to buyers known to us upon written application. All such lots must be returned to us by registered mail, adequately insured and within 24 hours after receipt. The applicant assumes all responsibility and will provide insurance against all risks from time of receipt until they are actually received back by us, and is to pay all expenses of postage and insurance. **No lots can be sent for inspection within ten days from date of local viewing. Large lots and collections cannot be sent for inspection.**
11. Agents are responsible for all purchases made in behalf of their clients unless other arrangements are made prior to the sale.
12. The placing of a bid shall constitute acceptance of the foregoing conditions of sale.

EARLY SOUTH PACIFIC LETTERS, 1833-1840

A newly discovered correspondence from J. Smith of New London, Ct. to John McRae, a Mercer/Milliner of New York City. Smith's saga begins 2000 miles from home off the coast of South America, follows him to the Hawaiian Islands where he arrives six months and one week after leaving the Northeast Coast of the United States without ever touching land. He reaches Tahiti sometime in Mid-1833. These well-written letters, despite being generally of a business nature, are rich in detail of life and trade in the South Pacific and represent probably the most important find made in this area in many years.

- 15 ☒ **Ship Mentor Dec. 30 1832**, Dateline on Three Page Folded Letter Written at Sea off the Coast of South America ("one degree of the Equator"), writer tells of having to fill casks with water to keep the ship lower in the water "if we do not take a Whale", the Captain of the Mentor "has offered me passage in the Mentor to Huahine (Society Islands) after I have been at the Sandiwh (Hawaii) a few months", evidently once enclosed in an outer sheet, ms. docketing "Recd April 18—1833 Postage 40 Cents", VF..... E.VI

- 16 ☒ **"30 miles from the Falkland Islands"** Opening of Feb. 3, 1833 Folded Letter to N.Y. City pmkd. in Red "New Bedford Mass." & "Ship", ms. "20¼" rate, minor aging, Fine E.VIII
- 17 ☒ **Tahite Sepr 5 1833**, Dateline on 3½ pp Letter to N.Y. City enclosed in outer address sheet, no Town pmk. but rated "6" in Red Circle, docketed "From Tahiti 5 Sep 1833 . . . Tahiti sell(in)g fast for Dollars", writer informs of final arrival at Tahita "after a long & tedious & tempestuous voyage", being at sea for "6 months & a week before we reached Oahu Sandwich Islands & called at no place on our way", writes of conflict between the island king & the Old Chiefs, bonnet sales are slow because "the women wear their hair long & thick with a huge Spanish Comb in it," American Rum is where a great deal of the natives dollars are spent resulting in slower sales of bonnets (most problems are contradicted in a postscript), outer sheet faulty, letter VF, Fascinating Lot E.X
- 18 ☒ **Society Island Jan 30 1834**, Dateline on Folded Letter to N.Y. City, Red "New Bedford Ms." & "Ship" pmks., ms. "20¼" rate, contents refer to shipment of two cases of coral & shells, etc., small internal part of cover missing, Fine E.X
- 19 ☒ **Society Island Feby 5 1834**, Dateline on Folded Letter to N.Y. City inside of outer folded sheet pmkd. in Red "New Bedford Ms." & "Ship", ms. "58¼" rate, writer discusses shipment of shells & coral, a Rum problem amongst the natives, trade of Bonnets for native goods, etc., negligible toning, VF E.X
- 20 ☒ **Covers from Tahiti, 1835**, Two Outer Address Sheets (no contents) to N.Y. City, Red pmks. & "Ship", ms. "39½" rates, docketed "dated Jan 2nd 1835 From Tahatia" & "dated Tahiti Sepr 1-1835", etc., slight aging, Fine E.VIII
- 21 ☒ **Letter From The Society Islands (Tahiti)** Dated October 10, 1836, Lengthy Four Page Letter, Discusses Arrowroot Trade, Purchase of a Plantation, Receiving a letter "by way of Sandch Islnds", etc., neatly folded inside of outer sheet which is pmkd. in Red "Newburyport Mas.", matching "Ship", ms. "58¼" rate, Fine E.X
- 22 ☒ **Tahite Sepr 9th 1837**, Dateline on Folded Letter to N.Y. City, no postal markings except ms. "6" rate, writer apologizes for inability to repay debt from the sale of his cane crop because "After engaging the natives last year they suddenly broke off from their work to accompany the Chief to a neighboring Island," etc., cover edge flaws, contents VF E.X
- 23 ☒ **Tahite Jan 1. 1840**, Dateline on Folded Letter to N.Y. City, Red "Salem Mass." pmk. & "Ship", ms. "200" rate, writer answering irate creditor explaining his near desperate financial situation, promises to make good in the future, some soiling & staining on front, o/w VF E.X
