UNITED STATES AND CONFEDERATE STATES
STAMPS AND COVERS

CONFEDERATE STATES

201

- 201 ° **Robert E. Lee.** Bold signature “R. E. Lee Genl” at top right of brown homemade cover addressed in his hand to “Col. Fitz Lee, 1st Cavy”, light wrinkles and faint edge toning

VERY FINE. THIS IS THE EARLIEST OF ALL RECORDED ROBERT E. LEE AUTOGRAPHED FIELD COVERS. AN OUTSTANDING HISTORICAL COVER.

General Robert E. Lee’s letters sent from the field were enclosed in envelopes signed “R. E. Lee Genl”. The letters and other important papers were carried by military courier, usually to Richmond or directly to another officer under Lee’s command.

Lee assumed command of the Army of Northern Virginia on June 1, 1862. This is the historical starting point for all of Lee’s signed field covers. Records indicate that Lee’s nephew, Fitz Hugh Lee, received his commission as Brigadier General on July 25, 1862. Therefore, this cover, addressed to Fitz Hugh Lee as Colonel, must have been sent sometime in June or July 1862, making it the earliest of all recorded signed Lee field covers.

Accompanied by a copy of the *Confederate Philatelist* article (Jan.-Feb. 1981) documenting this cover and providing a transcript of the letter that originated with the cover. Ex Telep. E. 6,000-8,000

EXTREMELY FINE APPEARANCE. ONE OF ONLY SEVEN RECORDED COVERS BEARING THE LIVINGSTON PROVISIONAL, A STRIKING PICTORIAL STAMP THAT DEPICTS THE SOUTHERN SHIELD AND ALLEGORICAL FIGURES.

Livingston is the county seat of Sumter County, Alabama, lying on the Selma and Meriden Railroad line about 130 miles north of Mobile, near the state's western border. Official records name Stephen W. Murley as the Livingston postmaster in 1861, while other sources attribute the provisional stamp to another postmaster, Robert F. Houston. The Livingston provisional is known used in November-December 1861 and again in March 1862.

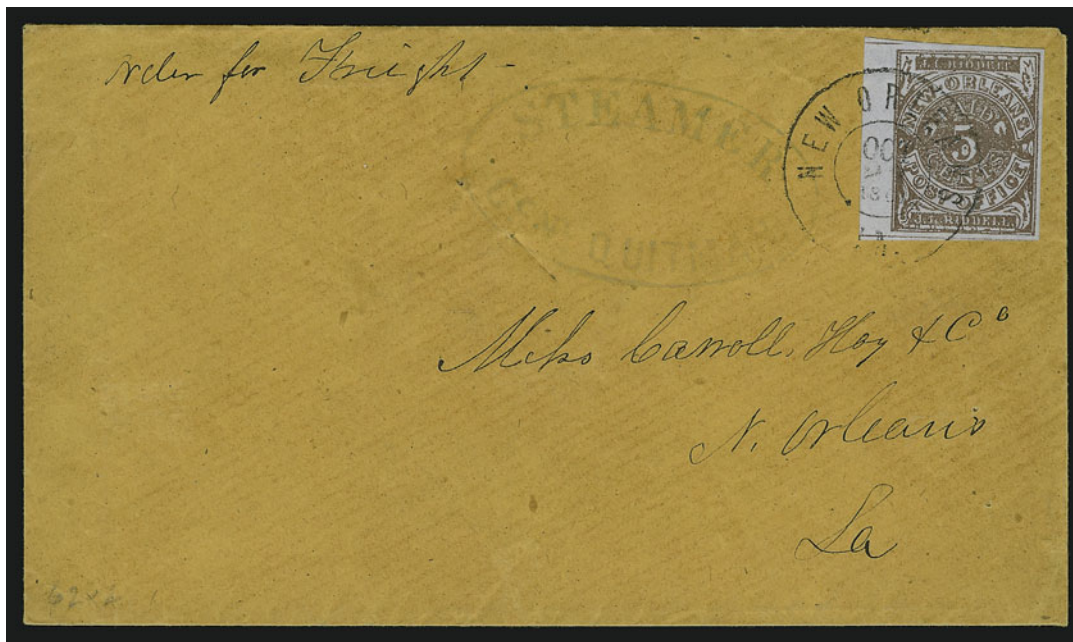

Our records contain a total of 11 stamps, including the famous and unique pair on cover (Nov. 12, 1861), 6 singles on separate covers (1861—Nov. 15, Nov. 15, Nov. 25, Dec. 10; 1862—Mar. 17 and Mar. 21), and 3 off-cover stamps. One of the single frankings, a corner-margin stamp (Nov. 25 date, ex Caspary, Antrim and Cole), was severely damaged through negligent restoration.

Only two Confederate post offices, Livingston and Mobile, issued stamps with a pictorial design. It is almost certain that the same printer was responsible for both, whose imprint "W. R. Robertson Mobile" appears on the Mobile lithographic stones. The composition of the Livingston plate is not known.

This cover was first offered at auction in 1892 as part of the Kleine collection, where it realized \$780.00. Also ex Sellers, Duveen, Emerson, Brooks, Weatherly, "Isleham" and Hill. 60,000.00

EXTREMELY FINE STAMP AND A FRESH ATTRACTIVE COVER. ONLY EIGHT EXAMPLES OF THE UNIONTOWN POSTMASTER'S 10-CENT PROVISIONAL ARE RECORDED, OF WHICH FIVE ARE SOUND STAMPS ON COVER. THIS IS ONE OF THE FINEST IN EXISTENCE.

Postmaster P. N. Booker was responsible for issuing the 2c, 5c and 10c provisional stamps at Uniontown, Alabama. One typeset form of four subjects was used for the three denominations. The numeral in parentheses between the "PA" and "ID" of "PAID" was changed for each value, and different color ink was used — Dark Blue (2c), Green (5c) and Red (10c). All three values were printed on gray blue paper — probably used for the first printing — and the 2c and 5c are also known on white paper, which was probably used for subsequent printings. The 10c has not been found on white paper.

Eight examples of the 10c Red are known to us. These are (in order of plate position): 1) Pos. 1 on Sep. 22 (1861) cover to Maria L. Kidd, Port Royal Va., ex Kimmel, Haas, Birkinbine (our Sale 795, realized \$35,000 hammer); 2) Pos. 1 on Jun. 9 (1862) cover to John D. Pitts, Richmond Va., ex Ferrary, Caspary and Isleham (our Sale 662, realized \$37,500 hammer), the cover offered here; 3) Pos. 2 on Apr. 21 (1862) cover to Col. A. P. Calhoun, Pendleton S.C., illustrated in 1986 Dietz, p. 16.; 4) Pos. 2 on undated cover to Maria Louisa Kidd, Port Royal Va., ex Brooks, Meroni and Kilbourne (our Sale 815, realized \$35,000 hammer); 5) Pos. 2 repaired stamp on undated repaired cover to Mrs. John B. Carey; 6) Pos. 3, corner crease, small tear, on Sep. 27 (1861) lady's embossed cover to Mr. Richmond Christian, Richmond Va., ex Hind; 7) Pos. 4 on Jul. 5 (1862) cover to Col. A. P. Calhoun, Pendleton S.C., ex Sweet, Muzzy; and 8) Pos. 4 uncanceled on large piece dated Sep. 27 (1861) with part of addressee's name "S. Price", Virginia destination, ex Caspary. The Scott Catalogue prices the 10c as an off-cover stamp, both unused and used, but we have not been successful in locating any off-cover examples other than the ex-Caspary piece.

Very few post offices *east of the Mississippi River* issued and used 10c adhesive (A) or press-printed (E) provisionals. This small group is as follows: Baton Rouge La. (A - three known); Charleston S.C. (E - unique); Danville Va. (E - probably not used); Fincastle Va. (E - unique); Fredericksburg Va. (A - never used); Greenville Ala. (A - two known); Greenwood Depot Va. (A - six known); Knoxville Tenn. (A - unique; and E - rare used); Marion Va. (A - six known on cover); Nashville Tenn. (A - seven known on cover); Tellico Plains Tenn. (A - never used); and Uniontown Ala. (A - eight known). All other 10c provisionals were used in Texas or were issued as handstamped entires.

Ex Ferrary, Caspary and Isleham. Caspary's note on back reads "Cost \$3,500 1929". "W.H.C." Colson and Ferrary trefoil handstamps at lower right (Ferrary sale notation in pencil at left)..... 37,500.00

Men of the South, arise, arise—
Hurl back the invading foe.
The sunny land must—aye—be free
Tho' blood of thousands flow!
Shall we, who worship only God,
To a despot bend our knee?
No! no! men of the South arise,
AND SWEAR YOU WILL BE FREE.

VERY FINE. AN EXTREMELY RARE FIRST DAY COVER OF THE 3-CENT ORANGE BROWN. ONE OF THREE RECORDED FIRST DAY USAGES FROM HARTFORD.

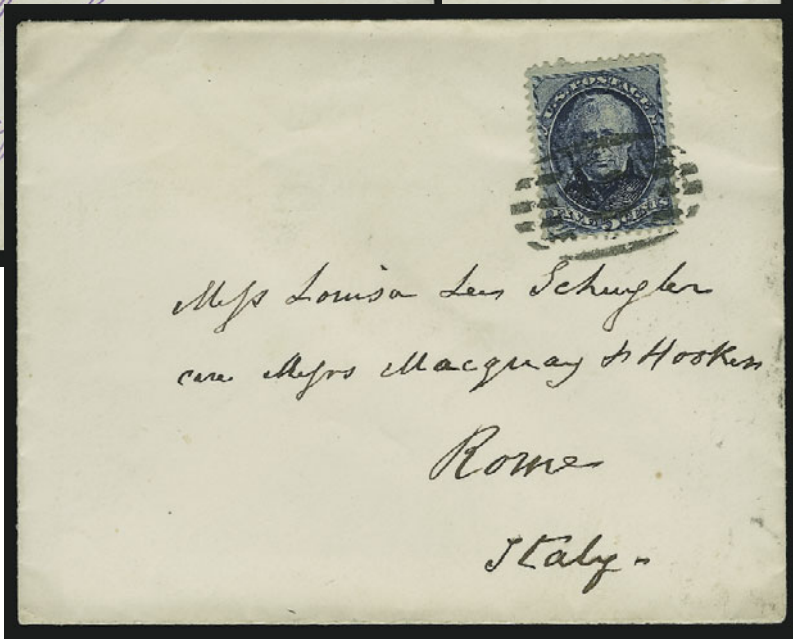

Three new stamps were created for use starting on July 1, 1851, after a change in the postal rates — 1c, 3c and 12c. The basic rates became 1c for newspapers, circulars and drop letters (with an escalation for distance up until 1852), 3c for domestic letters sent up to 3,000 miles, and 6c for letters sent over 3,000 miles. The 1847 Issue was demonetized after July 1, 1851, when the new rates went into effect.

VERY FINE. AN ATTRACTIVE AND RARE COMBINATION OF UNITED STATES AND FRENCH STAMPS ON A REGISTERED COVER FROM CHINA TO THE UNITED STATES. VERY FEW COVERS ARE KNOWN WITH THIS REGISTERED DATESTAMP.
