VERY FINE AND UNIQUE UNADOPTED STEVENSON ESSAYS FOR THE 1922 SERIES.

According to *United States Stamps 1922-26* by Gary Griffith, the Stevenson designs were submitted by John Stevenson, an engraver who had been with the Bureau for only a short time. They were sent for consideration at the same time as fifteen models prepared by the Bureau's designer, Clair Aubrey Huston. Also accompanied by 1994 *U.S. Specialist* article by Griffith, stating that he had new information proving that these essays, which had been known for years, were definitely submitted to the Post Office for consideration for the fourth Bureau issue.....(Photo Ex) E. 5,000-7,500

END OF SALE — THANK YOU

Sell through America's premier stamp auctioneer

Other firms may try to copy the Siegel firm's formula for success, but no one can match our expertise and track record in selling collections at auction.

When the time comes to sell your collection, there are some facts we would like you to consider:

- Year after year, the Siegel firm sells more United States and Confederate stamps and covers than anyone else.
- Siegel sales generate the kind of excitement that creates more competitive bidding and higher prices.
- The Siegel mailing list has been built over 70 years and has a 90% active-buyer rate over the past five years. It continues to grow every day, and our clients continue to increase their buying power.
- The Siegel website receives many thousands of hits before the auction, which gives your stamps wider exposure and creates more competitive bidding.
- Siegel sale catalogues win top national awards. They have become philately's most effective tool by educating and enticing buyers.
- The Siegel firm's reputation for paying all obligations on time is backed by a strong capital base and consistent record of profitability.

If excellence is your goal in collecting, when it is time to sell, it makes sense to choose an auctioneer whose excellence has been proven over time.

Shipping and Transit Insurance Current Postage & Insurance Charges

We will be pleased to arrange for shipping and transit insurance for purchases in this sale (except those described as "floor sale only"). To expedite billing and delivery to hundreds of buyers per sale, we use standard charges for postage and insurance, based on the invoiced total and mailing requirements (see schedule). The standard charges are sometimes slightly more or less than the actual postage but we do not include any fees for our labor or packing costs. Therefore, we ask all buyers to remit the prescribed amount for shipping charges.

Transit insurance is provided in all cases except when the buyer has furnished us with proof that insurance coverage is effective under another policy. Proof, in such cases, will be accepted in the form of a written certificate from the insurance carrier.

Bidding Increments

The auctioneer may regulate the bidding at his discretion. However, to assist absent bidders in establishing their maximum bid each lot, the increments shown at right will be used in most cases. We recommend that written bids conform to these increments (those which
